### NOTICE

As part of our response to the recent correspondence we have received regarding discrepancies in academic scores from applicants for the Contractual Lecturers position at the Centre of Women's Studies & Research (CWSR), University of Kashmir under the Academic Arrangement – 2024.

Following a careful review by the screening committee of the emails received so far, it became apparent that there had been some minor discrepancies which have been taken care of.

In response to this, we have taken immediate action to rectify the situation by compiling a revised merit list.
