

* Key Achievements & Milestones

Hosting of Job Festivals

- A landmark event of the Centre was the Job Festival hosted in collaboration with NAANDI Foundation, where 20+ companies participated and over 600 aspirants were interviewed and more than 200+ youth secured employment.
- This reflects the department's commitment to youth empowerment and employment generation.

Employability, Skill Enhancement and Career Development Initiatives

- The Centre has organized Exhibitions and Conclaves of Women Entrepreneurs of Kashmir Valley in Collaboration with various National and Local organizations.
- It organizes skill-building workshops and career guidance programs with various organizations.

Outreach And Extension Programmes

- The Centre regularly conducts legal awareness camps, gender sensitization workshops, and health and hygiene drives for women, particularly in rural and tribal areas.
- These outreach programs are designed to bridge academic knowledge and social transformation.
